

THE TA

WHO WE ARE

3+ years of experience in interior design renderings, construction drawings, floor plans, elevations and architectural visualizations; providing advanced CAD drafting for commercial and residential projects for architects, interior designers, contractors, management companies, real estate brokers, and product manufacturers to manage their design, drafting and rendering needs.

WHAT MAKES US DIFFERENT

FASTER RESULTS

We understand that time is important, so we have developed an efficient work methodology that let us deliver high quality renderings in exceptional time

UNLIMITED REVISIONS

What makes us unique and different is that here at Theta we offer free unlimited revisions. Our objective is to work with you to make your vision a reality. You can send us every change you want us to make once we finished the renders, so you can have your final renders as you imagine.

CUSTOMER SUPPORT

We have 24/7 customer support. We can communicate via email or phone.

HOW WE WORK

1. BRIEF

In the first stage of the process you send us any ideas,

In the first stage of the process you send us any ideas, measurements, notes, concept photos that you have, in order that we understand exactly what you want for your renderings

2. DEVELOPMENT

With the information provided, our industry grade team is able to develop the renderings

3. DELIVERY

Once we finish the work, we send it to you so you can check and tell us if you need any modification.
